# Meri Meri

Step into a season full of magic and a little mischief. Our Halloween collection is packed with vintage-inspired charm, playful details and a feel-good spirit that makes every moment a bit more fun.

For Christmas, we're turning up the cosy and the sparkle. Think classic reds and greens, timeless plaids and rich textures, all refreshed with a modern twist. Our beautifully hand-painted, folk-inspired designs bring festive characters and pretty foliage to life in the most delightful way.

And there's even more to love this season. We've teamed up with US-based artist and designer John Derian for a truly enchanting collaboration, plus a special partnership with New York City Ballet celebrating *The Nutcracker*® in a showstopping collection of decorations and tableware.

A season to treasure!

## We Care

We are committed to doing our best for the environment. Wherever possible, we use paper and wood-based materials from responsibly managed forests. Our commercially compostable range is dyed with water-based ink and certified by the Biodegradable Products Institute. Plus, we require third-party social audits from all our supply partners to ensure they act ethically and responsibly.

We continually evaluate our products, focusing on more durable materials. Our reusable tableware collection has grown over the past few seasons, with durable pieces made to be packed away and used again. Fabric decor and paper garlands are also designed for reuse, easily returning to their boxes for future celebrations.

Our knitted toys and baby accessories are made from organic cotton, keepsakes that can be passed down. The product team is always researching new materials and technologies. We also strive to reduce packaging sizes, aligning with our ethos of creating high-quality products that live on beyond the party.
